

IS hydro

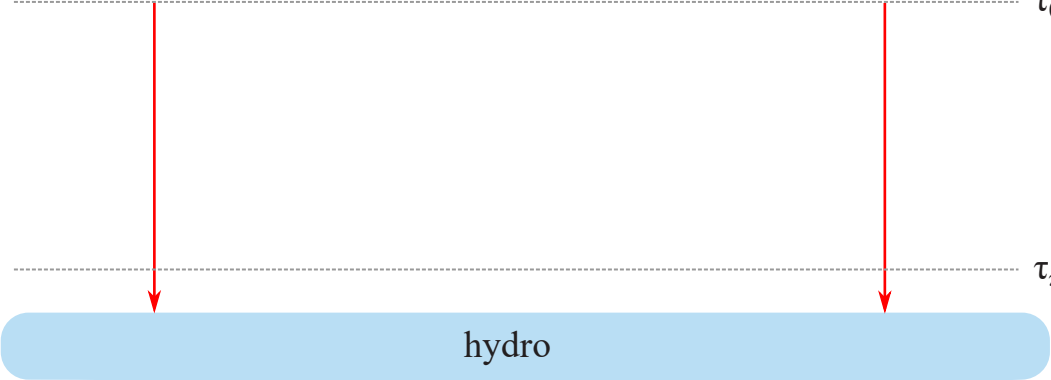

CKT

τ_0

τ

τ_π

hydro

A diagram illustrating a process flow or transition. At the top, two labels 'IS hydro' and 'CKT' are positioned above a horizontal dashed line labeled τ_0 . Below this line, another horizontal dashed line is labeled τ_π . A blue rounded rectangle labeled 'hydro' is at the bottom. Two vertical red arrows point downwards from the τ_0 line to the 'hydro' rectangle, one under 'IS hydro' and one under 'CKT'. On the right side, a vertical black arrow labeled τ points downwards from the τ_0 line towards the τ_π line.
